

Wendigo Hunt Lyrics - Joseph Sarenhes

Heart pounding
Running full speed
I see none
And I can't breathe

I'm deep in the woods
It's so dark
The leaves are screaming, "You should leave"

A shadow tall like a tree is luring
Once was a man, now man, it's eating
Air is cold like death is coming
Shit is about to begin

Wendigo, wendigo, wendigo hunt
What's the numbers on my wrist? I got until dawn
Wendigo, wendigo, wendigo hunt
Rick Owens on my feet but I gotta run

Get away, get away, get away quick
Left, right, mmhm, gotta grab a stick
Gotta find a rock, gotta get-
Ahh, ehh, khh, uhh, mhh damn
Gotta find some shit

Where's the tribe?
Where's my kin?
Man, where they at?
Can somebody tell me where the fuck
All my niggas at?

I really wanna go back but the big beast is pretty close
I can feel all over my neck, it's nose
Can't be that big, moving silent like a ghost
Gotta speed up, shadows indeed wanna grow

Shit is parkour on some M. Scott, I suppose
Ain't no track star on my damn « résumé » though
Gotta fight fear 'cause the mindset 'bout to blow
But I won't stop, tell me are you ready for a show

Wendigo, wendigo, wendigo hunt
What's the numbers on my wrist? I got until dawn
Wendigo, wendigo, wendigo hunt
Rick Owens on my feet but I gotta run
Wendigo, wendigo, wendigo hunt
What's the numbers on my wrist? I got until dawn
Wendigo, wendigo, wendigo hunt
Rick Owens on my feet but I gotta run

Wendigo, wendigo, wendigo hunt

Better run like Usain Bolt or something fast, son
If I can't escape, I'm gon' square up like Tyson
I wish I had a shield or some 117, John

Hold up, wait a minute, I'm a hunter too
I let my fear win but you should be afraid too
I don't have my tomahawk but my teeth sharp too
Son of a warrior, both sides, better start running too

Wendigo, wendigo, wendigo hunt
What's the numbers on my wrist? I got until dawn
Wendigo, wendigo, wendigo hunt
Rick Owens on my feet but I gotta run
Wendigo, wendigo, wendigo hunt
What's the numbers on my wrist? I got until dawn
Wendigo, wendigo, wendigo hunt
Rick Owens on my feet but I gotta run
