VERSE 1

Lè m te Sen-Mish, mwen te konn fè betiz
Men si m pa t nan gang, popo te cible' m
Cheve m te kout, mwen te konn kouri vit
Mwen te renmen spò, li te ban m espwa
Chak swa, m te konn fè devwa
Tout sa mwen te vle, se jwe NBA
Lè m reyalize, ke rèv mwen te kraze
Mizik la frape m tankou yon soufflet
Yon nouvo fasèt ouvri devan je m
Li tankou Beau Dommage, Michel Rivard
Endis yo te ra, men chans te gen l'art
Kounye a, m gen plis kòd pase yon gita
Sa mwen konstwi, li tankou yon chato
Se brik pa brik mwen kreye fondasyon sa
Lè moun yo grangou, manyen ba yo pawòl

VERSE 2

M chita, vant mwen plen, mwen di mèsì Bondye.
Yo vle kase'm, non ti bwat, m' brize'l an de.
Chak mo se flanm, lè yo sòti, se dife.
Ma che fe respè'u, pa vin manyen cheve'm.
Mwen vin pran plas mwen, m'pa nan pèdi tan.
Mwen vize wo, mwen pa gen vètij.
pa gen menti ni miraj
Gad kous la lanse, m pati — pa gen tounen.
For centuries what I have been trying **IS** to be
A voice in the silence, a light you can see
Breaking the chain, redefining the key

Of what it could mean just to truly **BE** free
Im here and building the **BEST** of me
I swing in the lake of this **MYSTery**,
I'm carving. my dreams on this tapestry
